Emergency arrangements for continuation of essential work of the Parish Council during the period of Coronavirus

Due to the impact of COVID19 The Chair, Vice Chair, and the Clerk acting together, proposed arrangements to enable the essential business of The Stukeleys Parish Council to be carried out, with due regard for the health and safety of our residents, service users, Councillors and employee.

Given the advice from the government on social distancing, all Councillors were sent the proposals and they emailed to state whether they agreed to those arrangements. Formal ratification will be sought at the first public Council meeting we are able to hold.

SAFETY STATEMENT – MEETINGS

The Stukeleys Parish Council [SPC] recognises and agrees that no business, meeting, service provision or service delivery of the Authority is of any importance **above that** of public and personal safety. As such the following proposal is made:

PROPOSAL: all scheduled public meetings will be cancelled for an **initial 6 week period until 4th May 2020** (or as circumstances dictate).

Notices will be put on the Parish Council Boards announcing the cessation of meetings and directing residents to the Parish Council website for more information.

[Note to Councillors - it is proposed that the version of these proposals will be approved if accepted by a simple majority, at least 3 Councillors (our quorum) They will then be reworded to show the proposals as "AGREED via email" and a copy added by the Clerk as a notice on the Parish Website page.]

SUSPENSION OF STANDING ORDERS / FINANCIAL REGULATIONS

PROPOSAL: SPC gives delegated authority to the Clerk as our Responsible Financial Officer (in consultation with any two of the Chairman/Vice Chairman/Finance lead) to suspend any relevant Standing Order or Financial Regulation as they judge to be necessary to ensure the smooth running and operation (wherever possible) of the Parish Council for a period of **no longer than 6 weeks** (or as circumstances dictate). The Clerk will compile and maintain a log of such suspensions and reasons; the log will be presented to a future meeting of the Parish Council for scrutiny.

ANNUAL COUNCIL MEETING / ANNUAL PARISH MEETING

As meetings are to be cancelled this will affect initially;

April Monthly Meeting (scheduled Monday 6th April 2020)at Little Stukeley Village Hall

The Annual Meeting of SPC & The Annual Parish Meeting,

Emergency arrangements for continuation of essential work of the Parish Council during the period of Coronavirus

(scheduled for Monday 4th May 2020), where Committees, advisory groups and the role of Chair and Vice Chair are agreed will take place at Ermine Street Church Academy as planned (unless circumstances dictate further cancellations).

If this is the case then, the roles Chair, Vice Chair and the existing committee and advisory group structures (including the chairmanship of such) will remain the same until a suitable and a safe public meeting is called and held.

It is noted that whilst the above decisions are **contrary to existing legislation** (as of 20th March 2020) the Parish Council has made these decisions in order to place public safety at the forefront.

ORDERS FOR PAYMENT

PROPOSAL: That the Clerk, along with those Councillors with delegated responsibility for the authorising and signing of payments, puts measures in place with robust transparency processes to ensure effective business continuation and to minimise impact on local service delivery and local business with ratification by the Council to be made at the earliest and safest opportunity. Further details of these processes will be circulated to all Councilors and the processes will remain under review, as the current unprecedented situation develops.

PLANNING MATTERS

PROPOSAL: That the Council authorises the Planning Committees to deal with planning applications via email and gives delegated power to the Clerk to collate responses and submit to HDC (on a majority basis).

BUDGETARY CONTROL AND AUTHORITY TO SPEND

PROPOSAL: In respect of any emergency or Health & Safety matter to authorise an increase in the spending limit to the Clerk in consultation with any two of the Chairman / Vice Chairman and Finance lead of the respective substantive committees and Advisory Groups (i.e. Admin, Planning, Personnel) from any item below £500 to any amount below £ 5,000.

PROPOSAL in the event of the out-sourced payroll function ceasing, the Clerk will pay both estimated staff payments and HMRC though bank transfer in line with the normal timescales. All such payments will be reviewed, and if necessary adjusted, at the earliest opportunity.

AUDIT The Clerk will prepare for the annual, statutory Audit and AGAR submission. She will seek advice from the Internal Auditor on the matter of the statutory deadlines for

submission and public scrutiny of the accounts and will act as appropriate on any National Guidance on these matters that is issued to Councils.

CONTRACT AWARD

PROPOSAL: That the awarding of essential new contracts be delegated to the Finance Advisory group (acting through email) using best value principles (noting best value does not mean the cheapest) with the decision to be ratified by the Council at a future date.

STAFFING MATTERS – ANNUAL APPRAISALS

PROPOSAL: That annual staffing reviews be delayed and any monetary awards be backdated to 1st April 2020 (once and if approved).

POLICY UPDATES

PROPOSAL: That delegation is afforded to the Clerk to update policy documentation where revision dates are the only necessary updates, such updates to be ratified by the Council at a future meeting. Where any legislative or operational changes in policies are judged to be necessary, the Clerk will update relevant documentation and implement any necessary changes.

WORK OF PARISH CLERK

PROPOSAL: That the Parish Clerk works her hours from home until the reopening of the Village Hall.

PROPOSAL: In the event that the Parish Clerk is unable to carry out her duties, the situation will be reviewed, and in full consultation with the Council appropriate measures put in place to ensure essential activities continue.

Useful Information

Despite these unprecedented times we are still doing our bit to serve the villages and Alconbury Weald and help those who are vulnerable. If you need any help here are some useful links:

www.wearehuntingdonshire.org This web site offers lots of useful advice and contacts on what to do during the Coronavirus (COVID-19) outbreak; such as how to register if you are vulnerable or want to volunteer to help others as well as how to defer council tax payments.

If you need to know more about Free School Meals use the link below. Where schools don't have the option to provide meals at school, they will provide parents with vouchers entitling them to £15 per week per child. These vouchers can be spent in most major supermarkets, including Morrisons, Tesco, Sainsbury's, Asda, Waitrose and M&S.

Parents already in receipt of free school meals do not need to reapply. Go to
www.cambridgeshire.gov.uk/residents/children-and-families/schools-learning/help-with-school-learning-costs/free-school-meals

For information, the eligibility criteria, set by Government applies to people on:

- *Income Support.*
- *Income Based Job Seekers Allowance.*
- *Income-related Employment and Support Allowance.*

Our colleagues at Urban and Civic have been proactively working at Alconbury Weald to keep the area safe for residents. It is not possible to physically chain or fence off the play areas as they are on large open spaces, so they have put up signage to say they are closed as well as social distancing signs.

They did an early door drop for people to have orange and red posters to display if they were self-isolating or were in need. Alongside slips for people to drop through doors offering help. Their Community Development Lead - asked for volunteers to support this and worked with them to set up a Mutual Aid Group, which has about 40 volunteers.

CORONAVIRUS: COVID-19

Even though we have been inundated with Facts, this takes a different slant,

The following is from an Assistant Professor of infectious diseases at Johns Hopkins University:

- * The virus is not a living organism, but a protein molecule (DNA) covered by a protective layer of lipid (fat), which, when absorbed by the cells of the ocular, nasal or buccal mucosa, changes their genetic code. (mutation) and convert them into aggressor and multiplier cells.
- * Since the virus is not a living organism but a protein molecule, it is not killed, but decays on its own. The disintegration time depends on the temperature, humidity and type of material where it lies.
- * The virus is very fragile; the only thing that protects it is a thin outer layer of fat. That is why any soap or detergent is the best remedy, because the foam CUTS the FAT (that is why you have to rub so much: for 20 seconds or more, to make a lot of foam).

By dissolving the fat layer, the protein molecule disperses and breaks down on its own.

- * HEAT melts fat; this is why it is so good to use water above 25 degrees Celsius for washing hands, clothes and everything. In addition, hot water makes more foam and that makes it even more useful.
- * Alcohol or any mixture with alcohol over 65% DISSOLVES ANY FAT, especially the external lipid layer of the virus.
- * Any mix with 1-part bleach and 5 parts water directly dissolves the protein breaks it down from the inside.
- * Oxygenated water helps long after soap, alcohol and chlorine, because peroxide dissolves the virus protein, but you have to use it pure and it hurts your skin.
- * NO BACTERICIDE OR ANTIBIOTIC SERVES. The virus is not a living organism like bacteria; antibodies cannot kill what is not alive.
- * NEVER shake used or unused clothing, sheets or cloth. While it is glued to a porous surface, it is very inert and disintegrates only
 - between 3 hours (fabric and porous),
 - 4 hours (copper and wood)

- 24 hours (cardboard),
- 42 hours (metal) and
- 72 hours (plastic).

But if you shake it or use a feather duster, the virus molecules float in the air for up to 3 hours and can lodge in your nose.

- * The virus molecules remain very stable in external cold, or artificial as air conditioners in houses and cars.

They also need moisture to stay stable, and especially darkness. Therefore, dehumidified, dry, warm and bright environments will degrade it faster.

- * UV LIGHT on any object that may contain it breaks down the virus protein. For example, to disinfect and reuse a mask is perfect. Be careful, it also breaks down collagen (which is protein) in the skin.

- * The virus CANNOT go through healthy skin.

- * Vinegar is NOT useful because it does not break down the protective layer of fat.

- * NO SPIRITS, NOR VODKA, serve. The strongest vodka is 40% alcohol, and you need 65%.

- * LISTERINE IF IT SERVES! It is 65% alcohol.

- * The more confined the space, the more concentration of the virus there can be. The more open or naturally ventilated, the less.

- * You have to wash your hands before and after touching mucosa, food, locks, knobs, switches, remote control, cell phone, watches, computers, desks, TV, etc. And when using the bathroom.

- * You have to HUMIDIFY HANDS DRY from so much washing them, because the molecules can hide in the micro cracks. The thicker the moisturizer, the better.

- * Also keep your NAILS SHORT so that the virus does not hide there.

FORCE UPDATES

New Reporting Methods For Coronavirus Breaches

Dear Resident,

We're urging members of the public to report breaches of the Coronavirus restrictions online with a newly-created web form and information page.

The new page has been set up on the force website - https://www.cambs.police.uk/information-and-services/Coronavirus-COVID-19/Coronavirus-COVID-19?utm_source=ECOPS%20/%20COVID-19%20landing%20page&utm_medium=ECOPS%20/%20COVID-19%20landing%20page&utm_campaign=Demand%202020

- where people will be able to look at some frequently asked questions, report individuals breaching the restrictions and find out contact details for your local council to report businesses that are ignoring the government regulations.

The force is seeking to resolve situations where people appear to be, or are, contravening the government advice on physical social distancing, and the stay at home measures, without resorting to enforcement. However, those who repeatedly break the rules, despite warnings, will face fines.

The public are urged to only report something if they feel there is a significant issue or breach which they think officers need to know about.

Officers will not be dispatched for minor infringements of the Coronavirus restrictions, but mass gatherings should be reported so they can be dealt with appropriately.

Officers will do everything possible to advise people on the guidelines and ensure as many people as possible help protect the NHS by staying at home and saving lives.

The answers to many Coronavirus queries regarding essential travel can be found at www.gov.uk/coronavirus

Thank you,

TRIBUTE

Margaret and I would like to pay public tribute to the wonderful group of the younger generation who led by Naomi have taken it upon themselves to ensure that all us oldun's are keeping healthy and safe and are looked after for groceries, medication etc during these the most challenging times we have all seen our lifetimes. It is so very humbling to realise how compassionate and caring that generation are and it is so very much appreciated by, I am sure we speak for all of our generation, all of us of ageing years. Let us all hope and pray that we all keep safe and well in our enforced period of self-isolation and we can all sometime in the future celebrate living through this most difficult time. Bless you all for your Supreme Kindness.

To those who walk dogs along Waterloo Lane

Many people walk their dogs along the track past Waterloo Farm. Without exception they all step onto the verge and put their dogs on leads or make them sit when I approach in my car. I drive slowly past and wave them a thank you. However, on the part of Waterloo Lane closest to Great Stukeley dog walkers have stayed on the lane making it difficult and dangerous for me to drive past. Last week a lady with two small black dogs refused to step on to the verge and I had to pass very close to her to get by, endangering both her and her dogs. The lane from Waterloo Farm to Great Stukeley is the legal route of access for all the four dwellings at Waterloo. So, on the relatively rare occasions that we use that part of the lane near Great Stukeley please allow us to do so without hindrance. Thank you.

Great Stukeley Flower, Garden & Craft Show 2020

Saturday 1st August

Due to current pandemic and the uncertainty of its ending and the knock-on effects that may be felt after it has gone away. We have decided to cancel this year's show. This decision was hard to make as this is a much-enjoyed annual event, but felt it was safer and fairer to make the decision now instead of being in limbo up to show day. I am sure many of you will understand the decision and appreciate knowing now.

Could last year's trophy winners please return your trophies cleaned to myself and those that can't venture out yet call me to arrange a collection of trophies. My number is 07835630559, i thank you for your cooperation in this.

We will definitely be back next year and wish you all to stay safe in these uncertain times.

Saturday 11th July

We are not sure if this event will be going ahead. We are waiting to see what happens in the next few weeks. If we can't do it in July, we might be able to move it to September, so watch this space!

Ann Monk

The Stukeleys Heritage Group

You will appreciate that given Government advice on social distancing, the March meeting had to be cancelled and so is the May meeting.

I will need to review the situation in the light of any new guidance for the July meeting, but given the ..erm....age profile of our attendees...I have a duty of care to be additionally cautious.

The same applies to the annual day outing to Colchester; the coach is booked but I ought to make a decision in good time as a courtesy to the coach company. My suspicion is that we will need to cancel this as well to be extra safe.

These are difficult times especially with the uncertainty about how the future will evolve, but in the meantime, I wish you well and pray you keep safe. Ann and I are enjoying the garden, the lack of traffic noise and the clear skies.

A visit to SPENCER HOUSE and THE STAFFORD HOTEL

Monday 8th June 2020

“Unforgettable moments in Stunning Surroundings”

As we go to press I can report that *The Stafford Hotel* made a very difficult decision ,following UK Government advice to temporarily close their Hotel. At this time, I have no word from *Spencer House*. This event, like all my other trips, was paid fully in February 2020.

During late April I will call both venues and the Coach company to find out whether we can reschedule these great visits to sometime in October 2020. As soon as I have completed this I will contact everyone on this trip personally. Please be patient and I do appreciate your understanding during this very difficult time.

If anyone would like to join us on this trip, we do still have a few places available. The cover price is £ 59.90 which includes the coach to and from London, a tip for the driver, a very personal tour of *Spencer House* visiting their 8 State Rooms by a professional guide preceded by Morning Coffee or Tea and Biscuits. This is followed by a visit to *The Stafford Hotel* with a short historical talk from their Duty Manager and an Exclusive behind the scenes tour of their 380-year-old wine cellars. This is rounded off by an Afternoon Cream Tea served in their beautiful *Sutherland Room*.

SUNDAY WORSHIP @ 11 AM

We are an international group of believers worshipping Jesus together. We might be small, but we have big hearts for Jesus. Our mission is to Glorify God, Transform our Community, and Reach the World with the Gospel of Jesus Christ. We believe that God has called us to love Him and to love one another. If you are looking for a church home, or just somewhere to worship on Sunday, we hope to see you. If you need more information, please check out our website
@ gfgg-baptist.org.

The second Saturday of each month we host a men's fellowship breakfast. Please join us for a meal, discussion, and time of fellowship.

If there is any way we can help or if you need to speak to someone please call Pastor Eric Gren at 01832 293143 or email at egren921@gmail.com.

To Buster Evans
On Sunday 12th April**

Buster Evans celebrated his 91st birthday yesterday (Sunday 12th April) and his neighbours in Park View came out to sing Happy Birthday. Buster would like to thank all the kind neighbours who took part in this 'properly social distanced' sing along.
