Items for the Magazine. All things considered.

The government is not currently planning to extend the remote meeting regulations beyond 7 May 2021. Along with other local government bodies, the National Association of Local councils [NALC] is continues to press for an extension. They are also preparing guidance for local councils on preparing for and managing the return to physical meetings in May and beyond if required.

The planning adviser to SPC updated the Council on an application for reserved matters on the northern part of Alconbury Weald key phase 1 (parcel 8- see red edge plan below) and the site abuts the southern flank of the runway and is bounded by residential development in KP1 to the east south and west. The northern boundary is in KP2 which has yet to be designed in detail, but it is likely that there will be a central park along the line of the main runway which will for a formal green edge.

215 market homes	mix of 2-3-4 and 5 bed
15 affordable rent	1-2 3 and 4 bed affordable rent
16 shared	2 and 3 bed

15 affordable rented and 16 shared ownership- gives 12 % affordable on this phase which is consistent with the approved delivery on KP1.

He also updated SPC on The Stukeleys Pocket Park Project the redeveloping of Great Stukeley Playing Field into Recreation / Pocket park – and reported that the application remains at the pre app phase with Huntingdon District Council.

Council Chairman T Pinner reported that the 2000 snowdrops and 2000 bluebells have been planted and the work in clearing ditches and culverts in Owl End are completed. The Council thanked the Chairman for the hard work he personally put into these projects.

The DEVELOPMENT AGREEMENT between THE STUKELEYS PARISH COUNCIL AND URBAN&CIVIC ALCONBURY LIMITED for the infrastructure works to be carried to install road humps on Ermine Street at has been signed, work to commence on signage/speed limits in May, works involving road closures in mid-June.

Issues to be raised to be added to the May agenda include the purchase and installation of electronic speed signs in Ermine St and the height of the curbing at the pedestrian entrance to RAF Alconbury and related disability access issues.

1st TUESDAY 4 MAY 2021 due to Spring Bank Holiday on the 3<sup>rd</sup> and due to current government guidelines, that remote meetings may not be held beyond 6 May 2021.

## **Ditch Clearing**

May I take this opportunity to thank the Parish Council for all their help in attending to the ditch clearing in Owl End which was the main contributor to the flooding to our house on 23<sup>rd</sup> December. Having tried to deal with the Environment Agency, Cambridgeshire Highways, Drainage Board and other bodies who were all quick to avoid responsibility or actually carry out emergency repairs to resolve the issue. It is refreshing to know the Parish Council can act swiftly and help to resolve the issue. Too many times people are quick to criticise, and I wanted to just say thank you to Terry Pinner for all the help in organising the relevant works.

Kind regards,

**Simon Murkett**

# Great Stukeley Flower, Garden & Craft Show 2021

It is with regret that we announce that the Great Stukeley Flower Show in August will not be held this year. Although many of you will have had your second vaccines by then, it still seems doubtful that the numbers involved will be allowed to meet up inside the Village Hall. Or certain restrictions may still be in place. It is such a shame we have to do this, but if things do ease or restrictions change, we may decide to do something different.

Gardening has been a great source of enjoyment to many of us during this pandemic. It's been a joy to see so many gardens looking good and to chat with the gardeners as we pass by on our daily walks. Who knows perhaps when we will be able to hold the next Show, we might see some new faces who've discovered gardening during the lock downs.

# Alconbury Community Preschool

We had another historic term in Preschool! We were delighted to welcome more children back to the setting when the schools opened in March 2021. It is notable, that during lockdown #3, Early Years settings remained opened and provided an ongoing service throughout the pandemic. We send out huge thanks to our parents/carers for working with us during this time and adhering to all the ongoing restrictions in place. It has been a Preschool family effort to keep us safe. Despite these trying times, we enjoyed wonderful learning adventures - creating a fun safari experience (despite shut zoos!), learning about circle crafts (using halves), impressive junk modelling, and Easter crafts to name a few. Preschool Book Week was a big hit, focused on Julia Donaldson's writings, we recreated the Gruffalo's deep dark wood! To celebrate we made Gruffalo crumble, flying Zogs and Stickmen. The weather warmed and we planted seeds and learnt about plant growth. We were delighted to set up a new Preschool weather station complete with a barometer, thermometer, rain gauges, a sun dial and rainbow windsock - funded by a grant from the Wooley Wind Farm. It is a wonderful addition to our outdoor area, where we learn about weather, develop language skills, and observe the environment. We have a busy summer term ahead and look forward to helping each child on their personal learning journey.

As a Registered charity (293071), like many others, our fundraising activity has been greatly reduced during the pandemic. We are grateful for small initiatives by our parents, including creating Preschool facemasks for sale. In the summer term, the children are invited to take part in a sponsored bounce to raise funds for Preschool.

Please contact us to book your child's place for academic year 2021-2022 and avoid disappointment.

For more information about Preschool please follow us on Facebook or email: [acpschool@live.co.uk](mailto:acpschool@live.co.uk).

Bike Run or Walk 4

**YOUR LOCAL AIR AMBULANCE**

[www.brow4.com](http://www.brow4.com)

[anna@brow4.com](mailto:anna@brow4.com)

**BRow4 CIC** would like to invite you, to help raise more money and awareness for your chosen Air Ambulance by doing a sponsored **Bike Run or Walk** with or without your **4**-legged friend, around a marshalled choice of three track sizes, 5km, 8km, 12km. You can choose how near or far you and your team want to go. This is not a race, the only person you will be racing against will be Yourself. We are also asking the Air Ambulances to come along to this event with their gazebos and stands, with their merchandise to sell and to show the public the difference that they all have from one and another.

If you would like to take part has the option to register via the Flyer, directly through the **BRow4 CIC** website on the News to Eventbrite. I have attached the copy of the flyers that we will be using. On receipt of the registration everyone will receive an acceptance email or letter, a map Nene Park Trust Ferry Meadows in Peterborough, a Map of the route that will be available for them to do the event of their choice. They will also be notified of the amusements that will be attending the event. They will also be advised on how to get a sponsorship form and a t-shirt from their local Air Ambulance. On the reverse side of the flyer is an area where people can write which Air Ambulance they are supporting, when we have that information, we will notify the Air Ambulance immediately of who has registered.

All registration money goes towards the running costs of the event we are organising. Any that has been donated to **BRow4 CIC** on the day, will be divided equally to All Air Ambulances that we are supporting.

Your personal information will only be disclosed (with your permission) to the Air Ambulance of your choice and no other. **BRow4 CIC** would like to keep the information so that we can keep you informed of any event and supply you with a newsletter. We will remove you from our emailing site when requested by you. Once the event has taken place, we will send you a letter or email, thanking you for taking part in this year's event and look forward to next year's event. This will also be an occasion when you can ask to be removed from our mailing list.

2019 saw over 1000 people attend this event raising money for all 10 air ambulances that have flown over this area. We had stalls, catering, children's entertainment, and live bands for all the families to enjoy. So please bring chairs and a blanket, buy a burger a beer and an ice cream and enjoy the entertainment that we have got for you.

All Air Ambulances have one goal, to provide a lifesaving rapid response pre-hospital emergency service. Not many people know that due to the different terrain in different parts of the United Kingdom, the pilots and crew must learn different techniques to be able to help those that need medical help within their area.

If there is anything further you require, please do not hesitate to contact me.

## STUKELEYS PARISH MAGAZINE | UPDATE FROM ALCONBURY WEALD

As the roadmap of lockdown begins to ease us back to a feeling of normality, we are delighted to update you on a number of community amenities coming forward at Alconbury Weald which we hope will be enjoyed by many.

We celebrated the opening of the Pavilion community centre this month which marks the first space dedicated solely to the community, at the heart of the first phase of Alconbury Weald. It joins up the cluster of community amenities already on the development, close by to the Watch Office and the Club. Whilst the official launch event is postponed until the summer due to current social distancing measures, the Pavilion opened its doors on Monday 12th April, in line with government's roadmap out of lockdown which allowed community centres to open. The building is already in high demand with the local community helping to shape the programme of events and activities coming forward. Regular community groups beginning next month include Alconbury Scouts, Amazing Kids which offers sports skills activities from early years to Key Stage 2, mother and baby wellness group Happy Muma Hub, and Yoga by Anushree.

Plans are afoot to convert the refurbished Watch Office at Alconbury Weald into a new bistro and bar – operated by local business Bohemia, who run a popular eatery in St Neots. The new community destination will also benefit from an outside barbeque and seating area overlooking cricket green, close to the Pavilion. The new café & bistro is due to open at the Watch Office in late summer and has been designed sympathetically to respect and celebrate the history of the building. The change of use to the bistro/bar will see the Library move into the Club, which has better access and space for the general public. In the meantime, Bohemia will be visiting Alconbury Weald with its pop-up coffee bar so residents and the local business community can sample some of the menu that will be available.

As set out in the recent newsletter, we have also updated the plans previously submitted to bring forward homes as part of Phase 2 for Alconbury Weald, on the Grange Farm area of the development. This will phase the delivery of the homes with 750 homes and a primary school in first instance in the northern section, which will also enable early delivery of the first part of the Country Park and the refurbishment of Prestley Wood. The application follows the green light for the Southern Gateway which will connect Alconbury Weald directly to the A141. Work on this connection will start later this year.

### **Ermine Street works**

Earlier this year we updated you on the work the Parish Council Working Group, the County Council Highways Safety team and Urban&Civic have been doing to agree the improved signage.

and carry out further traffic calming measures through the Stukeleys. The works have suffered some delays in getting going, due to technical issues, but are now due to begin in June and complete in August, subject to final agreement of dates with the County Council Highways Team. In the meantime, we have been working on suitable traffic management plans to minimise disruption for residents and are working with the Parish Council to provide a detailed door drop in advance of works to set out the detailed times, locations and works to be carried out. The plans were shown in our latest newsletter and a more technical set of detailed drawings for this work are available here: <https://www.alconbury-weald.co.uk/news/ermine-street-additional-traffic-calming-works/>

Further details on the next stages of the development are set out in our latest newsletter and also available on our website at <https://www.alconbury-weald.co.uk/news/latest-edition-of-alconbury-weald-newsletter-hits-doorsteps/> . For further information on any of the above please check our website [www.alconbury-weald.co.uk](http://www.alconbury-weald.co.uk) or you can follow us on Facebook @alconburyweald, Twitter @AlconburyWHomes or Instagram alconburyweald.

## PROTECT YOUR CAR campaign

Car crime is a real problem in the UK. Alarming, **one car is stolen every ten minutes**.<sup>(1)</sup> With Covid-19 and the recent lockdowns, many people aren't driving or checking on their cars as much as they used to. At Neighbourhood Watch, we need your help to remind car owners to remain vigilant about where and how they park their cars, in order to keep them safe.

John Hayward-Cripps, CEO of Neighbourhood Watch Network, says

"Most car crimes happen because cars are left unlocked. There is a misconception that some cars are auto-locking and lock themselves if left unattended after a period of time. This isn't always correct. Another misconception is that your car is too old and no one will bother stealing it. This is also incorrect – both new and old cars are at risk. Having a car stolen or broken into is more than simply a hassle, it can impact on people's livelihoods. The good news is that there are simple steps everyone can take to help reduce the risk to their car. With only a 46% recovery rate<sup>3</sup> we're reminding everyone to leave your car **locked, lit and empty**."

### Remember - Leave your car:

1. **Locked (2)** A simple mistake that can prove calamitous: **44%** of cars are broken into via an unlocked door.
2. **Lit (2)** **80%** of car crime occurs during the evening or at night. Parking near streetlamps or in a busy area can deter thieves.
3. **Empty (or with no items on show) Owners** often forget that personal belongings within the car are at as much risk of being stolen as the car itself. [https://www.ourwatch.org.uk/sites/default/files/2021-03/5746\\_NHW\\_Hide\\_your\\_stuff\\_1x1\\_v2\\_0.mp4](https://www.ourwatch.org.uk/sites/default/files/2021-03/5746_NHW_Hide_your_stuff_1x1_v2_0.mp4)

John Hayward-Cripps continues

"Car thieves are opportunists. Leaving items on a car seat or forgetting to lock your car can act as an invitation for crime. We want to instil the habit of double-checking where and how you've parked with our three simple steps: **leave it locked, lit and empty**. As a local charity with a trusted voice in the community, we're asking everyone to proactively support their neighbours and friends by sharing our three steps with three others. By spreading the word, we're confident we can crack down on car crime which can be deeply distressing and debilitating for its victims."

### How to support our campaign:
