Stukeleys Parish Council Meeting held on **Monday 4th April 2022 at 19.15pm in Great Stukeley Village Hall.**

Present: Cllr T Close (Vice Chairman), Cllr S Burton, Cllr P Digby, Cllr B Parkyn, Tim Slater (3D planning – Town Planning Consultancy) and one member of the public. Emily Pacey – Clerk and Responsible Financial Officer.

Cllr T Pinner, Cllr P Tuck & Cllr G Evans sent their apologies.

It was agreed and approved for the increase of the clerks pay scale of 1.75% as agreed with the National Joint Council.

It was agreed and approved for Stukeley Parish Council to adopt the LGA model code of conduct from HDC.

It was agreed and approved for Stukeley Parish Council to support No Mow May.

The consultation for the Neighbourhood Plan will take place between the 08/05/2022 and the 18/06/2022 inclusive with a drop-in session being held at Gt Stukeley Village Hall from 12.00pm to 2.00 pm and Lt Stukeley Village Hall from 2.30pm to 5.00 pm on the 21/05/2022. (Cllr S Burton proposed and Cllr T Close seconded, and all were in favour for the NHP consultation to go live)

More information on the Neighbourhood plan will be published on the Stukeley PC website, in the PC magazine and a drop box for the consultation form will be available for members of the public.

Cllr P Digby advised the 20mph issue and the installation of yellow lines at Alconbury Weald (Off the Broadway) is moving forward. He advised he has a meeting with Urban and Civic on the 14th of April and should be able to update the PC at May's meeting.

Cllr T Close advised the PC that he reported to Anglian Water the apparent leaking water pipe outside the entrance of the RAF Alconbury LVIS entrance on Ermine Street.

Work has been completed at the allotments to help drainage and the rainwater tanks are now installed.

Correspondence was received regarding circular walking /cycling route proposed by Urban & Civic that passes through Owl End, it was agreed that the council were in favour of the plan and it's potential to improve the health and fitness of those in the Parish, but would pass on a resident of Owl End concerns to U&C.

Next meeting following Mays Local elections will be on the 9th May 2022 at L. Stukeley Village Hall.

Next meeting following Mays Local elections will be on the 9th May 2022 at Little Stukeley Village Hall.

As Ermine Street Church Academy will no longer accept bookings where a member of school staff is not present future meetings held on Alconbury Weald will be at an alternative site to be agreed.

The development of the “Pocket” Park in Great Stukeley

The development of the Park has been driven purely by the Parish Council and financed through the CIL money from the development of The Weald.

There is no input from any political group and the Parish Council is now waiting for the planning permission to be granted when we hope to start sending out the tenders to appropriate companies for work on the park. We hope this will be sooner rather than later!

As you will see now, the Parish Council has stopped mowing two thirds of the park to help with the re-wilding.

GREAT STUKELEY VILLAGE HALL Management Committee Annual General Meeting

Monday 16th May 2022 at 7.30pm Great Stukeley Village Hall

We invite all residents of Great Stukeley to join us for our AGM. We would particularly welcome representatives from the groups and clubs who use the hall.

Our lovely village hall cannot function without our dedicated voluntary Trustees and Management Committee to keep it in good working order and to organize events. We are always keen to welcome new people onto the Committee. Do *you* have the time and enthusiasm to join us?

Come along on **Monday 16th May** to find out more, or contact the Secretary, Nicola Oldfield at secretary@gsvh.org.uk or the Chairman, David Silsby at chairman@gsvh.org.uk

The Stukeleys Neighbourhood Plan May 2022

On behalf of The Stukeleys Parish Council, I am pleased to put forward for consultation the Neighbourhood Plan for our Parish area.

The Neighbourhood Plan sets out the vision, objectives and policies to ensure that Great Stukeley and Little Stukeley villages maintain their character, appearance and uniqueness over the period up to 2036; whilst helping to facilitate the growth and character of Alconbury Weald.

The Parish is undergoing significant planned development pressure and the Neighbourhood Plan aims to ensure that the planned growth respects the important features that make The Stukeleys distinctive.

Why have a Neighbourhood Plan?

The Neighbourhood Plan will seek to protect and enhance the natural and built environment of the parish which forms the character of where we live.

The Plan has been drawn up on your behalf by The Stukeleys Parish Council which is the designated body for the plan area and has provided the funding and support to enable the plan to go ahead.

When a developer builds in Huntingdonshire it pays a levy to the District, as a Parish we receive 15% of that levy to spend on the infrastructure of our community, with a Neighbourhood Plan in place this will increase to 25% so instead of receiving £15 in every £100 given to the District we will receive £25 to spend on the community. In real terms to date this would have equated to an extra £300,000 to spend on enhancing our community.

How does the Plan get put into place?

The Neighbourhood Plan must go through several stages including statutory public consultation and will also have to go through an Independent Examination followed by a local referendum requiring a majority 'YES' vote of all those voting in the referendum for it to be accepted. In the event of a 'yes' vote, Huntingdonshire District Council will proceed to "make" the Neighbourhood Plan for the Parish of The Stukeleys.

The Neighbourhood Plan sets down a series of planning policies which will form part of Huntingdonshire's wider statutory development plan. The Neighbourhood Plan also must be in general conformity with the Huntingdonshire Local Plan.

It is intended that the policies will be reviewed periodically to monitor the cumulative effects of the policies and, if necessary, make changes to keep them up to date and relevant.

The Neighbourhood plan will be live on the Parish website from the 8th of May for six weeks.

Contained within this magazine is a form for you to make any comments regarding the plan. We would really appreciate your views, as a lot of work has gone into creating this document created from the views and efforts of many different people over the years.

This is your plan.

UPDATE FROM ALCONBURY WEALD

We hope you are enjoying the signs of spring as much as we are. The daffodils bursting through the soil and the sights and sounds of the natural world waking up can really lift the spirits.

As April is a great time to introduce birdboxes and feeders to gardens or balconies, we invited the local community to a free workshop to learn how to build a birdbox and to make feeders from pinecones. Lots of local families came along and took home their creations which will help attract lots of new wildlife to gardens and balconies.

Since the first residents moved in to Alconbury Weald over five years ago, over 700 homes are now occupied, and our community continues to grow alongside the community facilities coming forward;

Education is a key priority at Alconbury Weald and the new Education Campus at the heart of the next stage of development will include a new Secondary School, Special Education Needs School and associated sports facilities and pitches. The Education Campus will be delivered in phases and be run by the Diocese of Ely Multi Academy Trust (DEMAT). The Trust, runs 39 primary schools across the East of England and will share its strong ethos and core values with the new school, creating a dynamic teaching space where pupils are happy and eager to learn. Morgan Sindall, working on behalf of Cambridgeshire County Council and supported by design and technical teams, submitted a planning application in December 2021. Subject to planning permission, work could start on site in the summer, with the Special School due to open in September 2023 and the first part of the Secondary School is currently scheduled to open in September 2024.

Early preparation work has started on the Southern Gateway to Alconbury Weald, which will connect the development directly to the A141, help to divert traffic away from The Stukeleys, and provide access to the Country Park. The new access road will provide residents, visitors and businesses with purpose-built cycle and walking routes as well as a quicker bus connection into town. Clearance work took place last month to remove some hedgerow and low quality trees along the A141 to prepare the area for construction of the new link road. Logs, bark and branches from the hedgerow

and trees will be repurposed to create homes for wildlife and maintain biodiversity in the area.

The AW1 bus service continues to be popular with the local community and in April hit the highest passenger count since the launch in January. The service was launched as part of Urban&Civic's commitment to low carbon living and to improve sustainable transport options for those living and working at Alconbury Weald. The service runs a loop between Alconbury Weston, Alconbury, Alconbury Weald, Little Stukeley, Great Stukeley and Huntingdon, and the timetable links to connecting trains at Huntingdon Rail Station where possible. You can view the timetable online at Alconbury-weald.co.uk/news

We have worked in partnership with Cambridgeshire County Council and Ermine Street Church Academy to launch a new way to make the school run fun, and to encourage families to make cleaner air choices when travelling to school. 'Yeah! To Clean Air' starts in the new school term and gives families the opportunity to earn points which can be turned in to prizes for every sustainable school run they make. This includes cycling, walking/wheeling, scooting or skating, using the Park & Stride or public transport. You can find out more at smartjourneys.co.uk/smart-journeys-launches-its-new-school-travel-planning-tool-yeah-to-clean-air

We are pleased to say the remedial work to the tabletop ramp in Great Stukeley is now complete, concluding the works to the traffic calming on Ermine Street with the exception of some cosmetic patching up of the area in the coming weeks.

We ran successful tours of the Cold War Avionics building from January to March and many of the local community came along to discover Alconbury Weald's past. If you would like to register your interest in future tours, please email natalie.leigh-brown@urbanandcivic.com

There are many ways to live at Alconbury Weald and the launch of a new rent-to-buy scheme allows people who are living or working in the area the chance to get on the housing ladder without the need for an upfront deposit. Huntingdonshire District Council is working with Rentplus to offer the scheme for tenants to rent their home at Alconbury Weald for five to 20 years at an affordable rate whilst using that time to save towards their future mortgage deposit. For more information on the scheme alconbury-weald.co.uk/news/affordable-rent-to-buy-is-coming-to-alconbury-weald/

We are pleased to share the good news that Bohemia Alconbury Weald is now open on Friday and Saturday evenings for tapas and drinks. The popular bistro and bar is

open from Monday - Thursday 8am to 5pm, Fridays and Saturdays 8am to 10pm and Sundays 9am to 3pm. Bohemia is located at the historic Watch Office. There is parking behind The Club building, just off Lobelle Way, just follow parking signs for 'The Club'. There is additional parking near the cricket pavilion opposite Bohemia, just follow parking signs for 'The Pavilion'.

There is a range community gatherings, family-friendly events and classes for health and wellbeing taking place at Alconbury Weald seven days a week. You can view the timetable on the Pavilion noticeboard or on our website here alconbury-weald.co.uk/news/community-2

If you or anyone you know is interested in running a new sport or fitness class at Alconbury Weald, please contact info@alconbury-weald.co.uk.

Alconbury Weald's community library in The Club continues to be popular and there are lots of book themed activities for children and grown-ups to take part in. We continue to work in partnership with Cambridgeshire Libraries, residents and local communities to evolve the library offer for the community. To find out more about library events, visit Alconbury-weald.co.uk/news

If you have any queries or would like to talk through current and future plans, please contact Rachel Arnold on rachel.arnold@urbanandcivic.com

For further information on any of the above please check our website www.alconbury-weald.co.uk or you can follow us on Facebook @alconburyweald, Twitter @AlconburyWHomes or Instagram alconburyweald.

GARDENERS

CAN YOU HELP?

Hinchingbrooke Hospital have a great team of Volunteer Gardeners whose role it is to maintain the hospital's courtyard gardens, making them attractive areas for hospital patients, staff and visitors to use all year round.

The gardens are invaluable and often used to get some quiet time away from a busy hospital environment.

We are currently looking for new Volunteers to join our enthusiastic team. Whether you are an experienced gardener or a novice you would be most welcome to join. All tools are provided at the hospital.

If you feel you may be able lend a hand to support our Volunteer Gardening Team and make a difference to the hospital, we would love to hear from you.

To apply go to the Volunteering Section on our Hospital Website or to find out more, email our Hospital Volunteer Services Team

Great Stukeley Flower, Garden & Craft Show Update

We are in the process of planning this year's show but having a few issues. We have had to delay the show by a week due to committee member and key helpers being away. So the show is now scheduled for **Saturday 13th August** and with another slight change booking in will be from **9:30am til 11:30am** so only 2 hours.

Also, to make sure the show goes ahead we are seeking either new committee members or able helpers on the day of the show. So if you are interested either contact myself on 07835630559 or Sylvia Reynolds on 01480 458442.

We are also seeking fresh sponsors for the flower show sections which are as follows. Vegetables, Plants & Flowers, Floral Arrangements, Home Produce, Arts & Crafts, Photography or Children under 16. So, if you are interested please contact myself on the number above, each section sponsor is £20. The schedule is with the printers so should be through your doors shortly.

Many thanks.

A Poem
By Philip Hobson

Only yesterday I looked into a mirror
And spotted a little old man -
Who can that be I thought?
In the bathroom with me?
What's he doing here, in my home,
Well maybe - you never know, there are so many weird people, Now
around Should I call the police?
Then it dawned on me, slowly, very slowly,
But - but surely - it couldn't be -?
But it was -
That little guy was and is me!
A real horror show that turned out to be!
But I'm surviving, and should be less proud hearted, and réalisé , that ,
yes , old age which , for a long time , I thought it only applied to others
and for them I felt a sort of superior pity and sorrow , has finally come
to me .
Love to all,
Philip Hobson.

Stukeley Hotel & Pub News

By the time this magazine edition is distributed we will have had Easter weekend where we had a meat raffle, Easter Bingo & Easter Sunday roast.

You may have noticed that we are also going to be serving breakfast on Thursday & Friday mornings between 8.30am & 10am. We hope we can extend this through the weekend as soon as possible.

The hospitality industry is finding staff recruitment so difficult since the pandemic which doesn't allow us to go ahead with all the plans we have at the moment but we hope you see some of the changes we will be making in the near future.

We do however have a new menu which will include a Bar snacks menu for those staying for refreshments in the evenings.

The main event for all villages this year will be
The Queens Jubilee weekend.

As you will see from our advert we have lots planned and hope you will join us to celebrate. We will be decorating the hotel and car park with bunting and it would be lovely to see it all through the village.

Lastly, I would like to thank everyone who provided us with some feedback which we asked for last month. It was very helpful and we have taken on board a lot of the comments. For those who are looking forward to changes please remember "Rome wasn't built in a day" 😊

Best wishes from Kathy, Rob, Claire & Staff

Church services for May 2022

The Church has spent 40 days preparing for the events of Holy Week and the death of Jesus. We spend 50 days in celebration, rejoicing with the disciples, the angels and all those who have gone before us, as we proclaim that hate and death is not the end of the story. More than anything, we need that promise now. Come and join us as we celebrate it.
